Alien Chapaneco Declares Himself Supreme Emperor of Earth's Tamales, Offers Diplomatic Immunity for Eating Pozole

In a twist no one saw coming, El Marciano Chapaneco has proclaimed himself "Supreme Galactic Emperor of Earth's Tamales" at a press conference held outside his taquería, which mysteriously expanded overnight into a glowing pyramidal structure resembling Palenque ruins. The alien now insists he is the rightful ruler of Earth's antojitos, claiming his lineage dates back to the Mayans, who were apparently "trained by extraterrestrial taco artisans centuries ago."

Now he wants to declare war to Mexico and allies to Donald Trump and Bellakath to end up the antojitos changarro in Mexico to only being the one in the business.
